## COSTA NAVARINO

Messinia, Greece

27<sup>th</sup> April to 4<sup>th</sup> May 2019

We will be returning to Costa Navarino next year, simply because it's such a superb resort with great facilities. Located in a breath-taking seaside landscape in Messinia, Greece, it is very close to several small, pretty villages with good restaurants. Our home for the week will be the 5-star Westin Resort, located on a beautiful stretch of sandy beach along the Ionian Sea.

The two Navarino courses, where we will test our skills, are second to none. The impressive seaside Dunes Course is the first signature golf course in Greece, designed by Bernhard Langer. This championship course with spectacular sea and river views, incorporates some links-style features and parts of it venture into olive and fruit groves. The Bay course, slightly shorter than The Dunes, has some dramatic and memorable holes with panoramic seaside and mountain views. Several holes play directly alongside the sea and overlook Navarino Bay.

For those of you interested in some extra-curricular activities, close by are UNESCO World Heritage sites including Ancient Olympia, Mystras and the Temple of Apollo Epicurius. All this as well as Mycenaean palaces, Classical temples, Byzantine churches and medieval castles within easy reach.

Included in the trip: **7 nights B & B in Deluxe room**
